

Mr. Powell,

From what I have read, you already have your agenda in place, and it appears to be a neo-conservative, Straussian one. Many of us already know that your media monopoly plans will attempt to further this agenda. The proposed rules would result in decreased competition and diversity, and monopolistic control of democratic information available to the public. I want rules in place that serve the public, who supposedly "own" the airwaves, rather than private, interest. I oppose taking a vote that leads to more media consolidation like Clear Channel. On June 2nd, I urge you to respond to the will of "We The People" and create more fair and balanced ownership rules which will promote & maintain diversity and Democracy.

Thank you. Deborah M. Fragale
